PrintSave

Imagine the impact of saving almost 60% on your printing and copying costs!

If you need to be clever about maximising your budgets and resources while trying to improve productivity, then you need PrintSave from Kyocera.

What is PrintSave?

PrintSave is a unique scheme that enables you to adopt an all-inclusive approach to defining, implementing and managing your document imaging equipment, print production and consumable requirements. It helps you to improve productivity and quality of service, whilst maintaining tight control of costs. Significant savings, typically of 59% or more are achievable on your document imaging costs.

Why opt for PrintSave?

- Significant cost savings on lifetime costs.
- All-inclusive scheme – covers equipment, maintenance and toners.
- A fixed quarterly payment – so budgeting is a breeze
- Select the most appropriate mix of printers, copiers and MFPs devices for your organisation
- Increase productivity and reduce costs whilst gaining maximum operational flexibility

Example savings:

Workgroup Entry-level Printer
200 pages per day over 3-years

CUT YOUR COSTS BY

50%

Workgroup Multifunction/Copier
100 pages per day over 3-years

CUT YOUR COSTS BY

42%

Workgroup Performance Printer
300 pages per day over 3-years

CUT YOUR COSTS BY

59%

Departmental Multifunction/Copier
300 pages per day over 3-years

CUT YOUR COSTS BY

35%

Call Kyocera today on 0845 7103104 to find out how PrintSave can help you save money.

KYOLIFE Support Packs

Kyocera knows that you demand complete peace of mind from your products, therefore, KYOLIFE Support Packs are available for you to tailor the level and period of support you require to exactly meet your needs. A one-year standard warranty is provided with all Kyocera products, inclusive of all options.

An on-site, 4-hour response service is not available in the Republic of Ireland.

An exchange on-site service is not available in the Republic of Ireland or Northern Ireland.

For full terms and conditions of standard warranty and KYOLIFE Support Packs, please contact Kyocera Customer Relations on 0845 7103104 or visit the Kyocera website at www.kyoceramita.co.uk/welcome

Solutions Portfolio

As specialists in document production across networks, Kyocera recognises that choosing the right printers, copiers and multifunctional products is only part of the story. In order to ensure efficient workflow and protect your return on IT investment, it makes sense to consider document flow, applications and relationships rather than just hardware. In this way, it's possible to develop a document strategy which optimises the flow of documents into, across and out of your organisation.

Kyocera's Solutions Portfolio draws on the expertise of companies offering complementary products and services to provide a range of solutions that cater for the most complex applications. And because our solutions providers are each leaders in their own fields of expertise, you can achieve the optimum solution with minimum risk.

These solutions are delivered via Kyocera's Solutions Partners, resellers who specialise in one or more solutions. Each solution also has the direct backing of the Solutions Provider, to ensure a high level of service and support. And, of course, each one has been tested and approved by Kyocera.

Solutions Portfolio - Mailing

MailPrinter

- Sending mail is now as easy and convenient as sending email
- Delivering cost and time savings whilst ensuring high quality, flexibility and security
- Print, fold, insert and seal up to 18 envelopes a minute from your desktop
- From general office use to volume mailings

Network Interfaces

Kyocera believes in the fundamental importance of connectivity as the cornerstone of a sophisticated and flexible document environment. Availability of a range of reliable, high-performance and totally compatible network interfaces is critical to delivering end-user productivity and effectiveness.

Kyocera provides a comprehensive range of SNMP compliant multi-protocol interfaces for Ethernet, Token Ring and Fibre Optic connectivity, enabling devices to be ideally situated for workgroup or departmental use. For quick connectivity without the need for cabling, a wireless network card (SB-70) can seamlessly be integrated into your existing network environment.

Our wide range of connectivity products are all built upon a common hardware and software platform, making them easy to install, use and maintain on your network. The following network interface cards are compatible with all Kyocera printers and MFPs contained within this price list that support optional network connectivity.

PRODUCT	DESCRIPTION	RRP	NOTES
Interfaces			
XB-110	Multi-protocol Fast Ethernet 10/100BaseT external interface.	£139.00	2,44,56

REF	NOTE
1	Includes pre-installed 10/100BaseT multi-protocol interface.
2	Also for use with the FS-600, FS-680, FS-800, FS-1200, FS-1750, FS-1800/+, FS-3750, FS-7000+, FS-9000, FS-9100DN, FS-9500DN, FS-5900C and FS-8000C
3	PK-4 for the FS-680/600 and PK-6 for the FS-1000/+ only. Requires installation by a qualified person and optional total of 8MB of memory to support resource protection.
4	Occupies the printer's parallel port and requires no separate power supply.
5	KYOLIFE Support Packs for an additional 1-year support can be purchased anytime during the current term of an existing support agreement with the 1-year period commencing from the end of the current term. KYOLIFE Support Packs to upgrade to a total of 3 or 5-years support can be purchased within 6-months of product purchase product with the support period starting from the date of product purchase. 5-year support is not available for the FS-1010/1050 where the maximum warrantable period is 3-years. On-site, 4-hour response is not available in the Republic of Ireland. Exchange on-site service is not available in the Republic of Ireland or Northern Ireland.
6	Also for use with the KM-1505 and KM-1510.
7	Compatible with any Kyocera laser printer.
8	Includes HS-20 (FS-1200) or HS-21 (FS-1750/3750) plus DU-21, PA-1 and PA-20. Not for use with the PF-21M/MA.
9	Replaces internal cassette.
10	KM-1505 does not support Print-1510 printing system.
11	The price of a document finisher includes free installation by a qualified engineer.
12	Also for use with FS-1700, FS-1700+, FS-3700, FS-3700+, FS-1750 and FS-3750.
13	Cannot be used with other paper handling options, excluding the EF-1.
15	Cannot be placed immediately under the FS-1750, requires either PF-21 or DU-21 between this option and the printer. ST-20A and SO-6A includes HS-21 and PA-1 in addition to the ST-20 or SO-6.
16	Supports variable paper sizes up to A4. Requires PB-20.
17	These options require engineer installation carried out free of charge when installed at the same time as the Copier/MFP or Document Finisher. When circumstances require that the options be fitted separately, please call the Kyocera Service Centre on 0845 456 0456. Separate installation will be chargeable.
19	Will raise the Printer/Copier/MFP to the correct height to fit a DF-71, DF-73 or DF-75 finisher if no PF-70 or PF-75 is currently fitted to the product.
20	Covers printer and internal options.
21	Covers all paper handling options per Printer/Copier/MFP.
22	Both FS-680 and FS-800 have a single memory slot, a memory upgrade replaces an existing memory SIMM
23	Installation must be carried out by a qualified engineer to ensure product warranty remains valid. Please call the Kyocera Service Centre on 0845 456 0456 for details.
24	Scan function is only suitable for 10BaseT twisted pair networks.
25	Occupies serial port, requires a hard disk.
26	Occupies second option interface slot on a printer.
27	UPGRADING MEMORY: Two DIMM memory upgrade slots available with FS-1800+, FS-1920, FS-3820N, FS-3830N, FS-3800, FS-9100DN, FS-9500DN, FS-9120DN, FS-9520DN, FS-8000C, FS-C8008N, FS-C5016N, KM-2530, KM-3035, KM-4035, KM-5035 and KM-C850. The FS-8000C/FS-C8008N comes with 64MB DIMM in one slot. One DIMM memory upgrade slot available on the FS-1010, FS-1050, FS-1018MFP, FS-1020D, FS-1900 and FS-6020. The KM-1505 does not support optional memory upgrades, while the KM-1510 and KM-1810 only support DIMM memory upgrades in the Print System. Other multifunction models (with KM prefix) use DIMM memory for upgrading both copier memory (1 slot) and printing and/or scanning system memory (1 slot), each of which needs to be upgraded separately.
28	Requires PF-26A or DX-25.
29	This item requires installation by a qualified engineer. Maintenance kit installation cost is included free of charge if purchased from the Kyocera Service Centre, please call on 0845 456 0456
30	Requires two PF-30A and CA-31B. Also for use with the FS-7000+ and FS-9000.
31	Requires two PF-30A and CA-31B. Supports face-up/face-down output plus automatic stapler. Also for use with the FS-7000+ and FS-9000.
32	For use with Windows 95/98/2000 and Windows NT 4.0. Requires two PF-30A units and CA-31B. Also for use with the FS-7000+ and FS-9000.
33	For use with PF-30A, required when ST-30/SO-30 or DF-31 is fitted.
34	CB-1/2 replaces PF-30A's when using ST-30/SO-30 or DF-31 (FS-7000, FS-7000+, FS-9000). CB-9100 replaces PF-70/PF-75 when using DF-71 or DF-75 (FS-9100DN, FS-9120DN, FS-9500DN, FS-9520DN), or DF-73 (FS-9120DN, FS-9520DN)..
35	Facilitates paper transport into the DF-71, DF-73 or DF-75 and should be ordered along with one of these items.
36	Required every 500,000 A4 pages. Maintenance kit requires installation by a qualified engineer. Maintenance kit installation cost is also included free of charge if purchased from the Kyocera Service Centre, please call on 0845 456 0456
37	RA-1 provides correct-order face-down output in the DF-75. Not required for booklet making or if face-up output preferred.
38	Covers Printer/Copier/MFP, standard paper cassette and internal options.
39	This kit should be fitted every 1.5 million pages, not fitting the kit may invalidate your warranty
40	Contains 1 x 250 sheet A4 paper cassette and 1 x 80 sheet A4 transparency cassette.
41	Requires PF-81. Paper fed from Manual Paper Feeder (MPF) cannot be duplexed.
42	Purchase and installation of the RA-1, PH-2B and PH-2C must be carried out at the same time as the DF-75 Finisher.
43	Includes dedicated printing and scanning network interfaces.
44	For use with printer or the optional printing and/or scanning system on the KM-2530, KM-3530, KM-4030, KM-C830, KM-C830D or KM-C850.

- 46 Required if automatic document feeder is not installed.
- 48 When sufficient quantities are ordered, multiple toner kits can be provided in a single larger box. Kits per box are as follows: TK-1505 (20 units), TK-16H (24 units), TK-17 (24 units), TK-20H (15 units), TK-25 (20 units), TK-2530 (4 units), TK-30H (8 units), TK-400 (15 units), TK-18 (24 units), TK-50H (15 units), TK-60 (15 units), TK-55 (15 units), TK-65 (15 units), TK-500C/M/Y/K (15 units), TK-70 (4 units), TK-800C/M/Y/K (10 units), TK-805C/M/Y/K (10 units), and TK-830C/M/Y/K (10 units).
- 50 WARRANTY & SUPPORT: standard manufacturers warranty for these Printers and their Options is 1-year, return to base, inclusive of all options. A range of KYOLIFE Support Pack upgrades are available. KYOLIFE Support Packs for an additional 1-year support can be purchased to a maximum of 5 years from product purchase anytime during the current term of an existing support agreement with the 1-year period commencing from the end of the current term. KYOLIFE Support Packs to upgrade to a total of 3 or 5-years support can ONLY be purchased within 6 months of the product with the support period starting from the date of product purchase. 5-year support is not available for the FS-1010/1050/1020D where the maximum warrantable period is 3-years. On-site, 4-hour response is not available in the Republic of Ireland. Exchange on-site service is not available in the Republic of Ireland or Northern Ireland.
- 51 WARRANTY & SUPPORT: standard manufacturers warranty for these MFP/Copier/Printers and their Options is 1-year, on-site, next day response, inclusive of all options. A range of KYOLIFE Support Pack upgrades are available. KYOLIFE Support Packs for an additional 1-year support can be purchased to a maximum of 5 years from product purchase anytime during the current term of an existing support agreement with the 1-year period commencing from the end of the current term. KYOLIFE Support Packs to upgrade to a total of 3 or 5-years support can ONLY be purchased within 6 months of the product with the support period starting from the date of product purchase. On-site, 4-hour response is not available in the Republic of Ireland. Exchange on-site service is not available in the Republic of Ireland or Northern Ireland.
- 52 WARRANTY & SUPPORT: standard manufacturers warranty for these Printers and their Options is 1-year, on-site, next day response, inclusive of all options. A range of KYOLIFE Support Pack upgrades are available. KYOLIFE Support Packs for an additional 1-year support can be purchased to a maximum of 5 years from product purchase anytime during the current term of an existing support agreement with the 1-year period commencing from the end of the current term. KYOLIFE Support Packs to upgrade to a total of 3 or 5-years support can ONLY be purchased within 6 months of the product with the support period starting from the date of product purchase. On-site, 4-hour response is not available in the Republic of Ireland. Exchange on-site service is not available in the Republic of Ireland or Northern Ireland.
- 53 Sits directly under the Printer. Additional paper feeders (PF-60) fit underneath the duplex unit.
- 55 Supports variable paper sizes up to A4. PF-8E requires PB-60. For use with FS-3830N only.
- 56 Supports the following operating systems: Novell Netware 3.x, 4.x, 5.x, UNIX, BS2000, Apple SystemsP, x, 8.x, Microsoft Windows 95, 98, 2000, XP, ME, NT 3.x, 4.x. And the following protocols: IPX/SPX/ (NDS Bindery, R/NPRINTER), TCP/IP (BOOTP, DHCP, RARP, ARP, IP, UCMP, UDP, TCP, PTP, TPT, LPD), Wins, SNMP, SMTP, Ethernet/TokenTalk Phase 2, HTTP/HTML.
- 57 Also for use with the FS-600, FS-680, FS-800 and FS-1200, FS-1000/+, FS-1010, FS-1020D, FS-1018MFP, FS-1050, FS-1900, FS-1920, FS-3820N, FS-3830N, FS-6020
- 58 Also for use with the FS-1200.
- 59 Also for use with the FS-1750, FS-3750 and FS-5900C.
- 60 Price includes free delivery and installation within mainland UK.
- 61 Installation must be carried out by a qualified engineer.
- 62 The HB-7/110 interface card enables Follow-Me printing. This document solution allows a user to print securely (via a swipe card) from any connected printer. See Solutions section for more details.
- 63 Sits directly under the Printer. Additional paper feeder (PF-30A) fits underneath the duplex unit.
- 64 The AK-71C facilitates paper transport into the DF-71 or DF-75 and should be ordered along with either of these items for use with the KM-2530, KM-3530 or KM-4030. The AK-71P facilitates paper transport into the DF-71 or DF-73 or DF-75 and should be ordered along with either of these items for use with the FS-9120DN or FS-9520DN.
- 65 The FS-6020 process unit is guaranteed for 200,000 pages or three years, whichever comes first. If you purchase KYOLIFE warranty this guarantee extends to 200,000 pages or three years, whichever comes first.
- 66 Will raise the KM-C830 or KM-C850 to the correct height to fit a DF-35 document finisher if no PF-35 is fitted to the product.
- 67 For KM-C830/F/PN, standard on the all KM-C830 duplex (D) models.
- 68 Page yield depends on gloss mode usage.
- 69 Price includes free delivery and installation within mainland UK by a qualified engineer. Upon order a pack containing a free delivery voucher will be despatched, upon receipt the Kyocera Service Centre should be contacted on 0845 456 0456 to arrange delivery and installation.
- 70 The FS-1900 does not support the BC-1.
- 71 The drum for the KM-1505, KM-1510 and KM-1510P is guaranteed for the design life of 100,000 pages or three years, whichever comes first. Maintenance kits are available (to extend your copier/MFP life to a maximum of 200,000 pages) and must be installed by a qualified engineer. Installation is included when maintenance kits are purchased from the Kyocera Service Centre. Contact the Service Centre for details on 0845 456 0456. Maintenance kit for the KM-1505, KM-1510 and KM-1510P is the MK-15.
- 72 The drum and developer of the FS-1900/1920/1800/+ and FS-3800/3820N/3830N printers are guaranteed for the design life of 300,000 pages or three years, whichever comes first. Maintenance kits are available (to extend your printers life to a maximum of 900,000 pages) and must be installed by a qualified engineer. Installation is included when maintenance kits are purchased from the Kyocera Service Centre. Contact the Service Centre for details on 0845 456 0456. Maintenance kit for the FS-1800 is the MK-60, for the FS-1800+/1900 is the MK-63 for the FS-3800 the MK-62, for the FS-1920/3820N is the MK-67 and for the FS-3830N is the MK-68.
- 73 The drum for the KM-1810 and KM-1810P is guaranteed for the design life of 100,000 pages or three years, whichever comes first. Maintenance kits are available (to extend your copier/MFP life to a maximum of 200,000 pages) and must be installed by a qualified engineer. Installation is included when maintenance kits are purchased from the Kyocera Service Centre. Contact the Service Centre for details on 0845 456 0456. Maintenance kit for the KM-1810 and KM-1810P is the MK-15.
- 74 The drum and developer of the FS-6700 printer is guaranteed for the design life of 300,000 pages or three years, whichever comes first. Maintenance kits are available (to extend your printers life to a maximum of 900,000 pages) and must be installed by a qualified engineer. Installation is included when maintenance kits are purchased from the Kyocera Service Centre. Contact the Service Centre for details on 0845 456 0456. Maintenance kit for the FS-6700 is the MK-25.

NOTES

- 75 The drum and developer of the FS-9120DN and FS-9520DN printers are guaranteed for the design life of 500,000 pages or three years, whichever comes first. Maintenance kits are available (to extend your printers life beyond 500,000 pages) and must be installed by a qualified engineer. Installation is included when maintenance kits are purchased from the Kyocera Service Centre. Contact the Service Centre for details on 0845 456 0456.
- 76 The drum for the KM-2530 & KM-3035 is guaranteed for the design life of 400,000 pages and the KM-4035/5035 for 500,000 pages, or three years, whichever comes first. Maintenance kits are available (to extend the life of your copier/MFP) and must be installed by a qualified engineer. Installation is included when maintenance kits are purchased from the Kyocera Service Centre. Contact the Service Centre for details on 0845 456 0456.
- 77 The drum and developer of the FS-8000C printer are guaranteed for the design life of 400,000 mono pages (drum) and 200,000 pages (developers), or three years, whichever comes first. Maintenance kits are available (to extend your printer's life) and must be installed by a qualified engineer. Installation is included when maintenance kits are purchased from the Kyocera Service Centre. Contact the Service Centre for details on 0845 456 0456.
- 78 The drum for the KM-C830 is guaranteed for the design life of 400,000 mono pages or 100,000 colour pages, or three years, whichever comes first. Maintenance kits are available (to extend the life of your copier/MFP) and must be installed by a qualified engineer.
